California Correctional Health Care Services is seeking proactive, knowledgeable psychiatrists to join our multidisciplinary teams. Within the California Department of Corrections and Rehabilitation's facilities, you will find like-minded professionals well-versed in the intricate psychiatric and medical interplay necessary to treat our diverse patient population. Here, you will see and develop treatment plans for cases you won't encounter in any other practice. And with the support of our dedicated medical assistants, you'll be able to devote your time to practicing and honing advanced psychopharmacological skills. Plus, with locations throughout California, you're sure to find your perfect fit.

In return for your efforts, we offer:

- 40-hour workweek with flexible schedules, including 4/10s
- State of CA retirement that vests in five years (visit CalPERS.ca.gov for retirement formulas)
- Visa sponsorship opportunities
- \$10,000 Bonus to professionals newly hired with the State of CA
- Relocation assistance available to professionals newly hired with the State of CA

Evidence

Serious mental illness (SMI) involves complex treatments. That means mental health clinicians often face complex decisions.

Now you can access SMI Adviser's free online catalog to find evidence-based education on SMI. Access 100+ on-demand courses. Attend monthly live webinars. Earn credits if you are a physician, nurse, psychologist, or social worker. And use this guidance to provide person-centered care to individuals who have SMI.

This is just one of many free resources from SMI Adviser.

Better clinical support. Better resources. Better care for people who have SMI.
